## **Selection Result for Sakura Science Program 2024**

Japan Science and Technology (JST) has implemented the “Sakura Science Program” (SSP), in which young students are invited for short-term stays in Japan in order to broaden their experience in the field of science and technology.

JST invites 5 Science students from the University of Delhi to Japan for FY2024 under “SAKURA SCIENCE University Program 2024”, who are interested in research and exchange with Japan institutions/universities in future.

Nominations were invited from all the science and applied science departments of the University of Delhi. A selection committee was formed to select the five best students.

Following Five Postgraduate Science Students of the University of Delhi are selected for the said program after due selection procedure,

1. Ms. Ishika Sharma, Department of Chemistry
2. Ms. Keerthana Pradeep, Department of Microbiology
3. Ms. Survi Bhaya, Department of Biophysics
4. Mr. Vinayak Bansal, Department of Computer Science
5. Ms. Hiba Kulsum, Department of Mathematics
