

Niigata University 75th Anniversary Commemorative Satellite Event Special Lecture hosted by Sakeology Center

Niigata University celebrates its 75th anniversary in 2024.

As one of the commemorative events, Special Lecture by Ms. Makiko Ono, President & Chief Executive Officer of Suntory Beverage & Food Limited, who has been a leader on the global stage, will be held by Sakeology Center.

Ms. Ono will introduce her long experiences in overseas business, the Suntory Group, and the sustainability initiatives of Suntory Beverage & Food as a global beverage company.

Sustainability Initiatives as a Global Beverage Company

Makiko Ono

President & Chief Executive Officer

Suntory Beverage & Food Limited

Ms. Makiko Ono became the President & Chief Executive Officer of Suntory Beverage & Food Limited in March 2023. She is the first woman in Japan to serve as president of a company with a market capitalization of over 1 trillion yen, and her appointment has made a significant impact across various industries. Major global media including TIME, Fortune, Forbes, Financial Times, and CNBC, have named her as one of the most powerful female leaders.
